

Sketchbook Assignment #2

Sidewalk Crack Drawing

Use a given image of a sidewalk crack. Study it carefully to see what image you find within the lines and shapes. Sketch out the details and finish by adding color (crayons, colored pencils, marker, pastels, paint, etc.) DO NOT TURN IN A PENCIL ONLY SKETCH FOR THIS ASSIGNMENT.

If you need an additional sidewalk image they are available in the art room.

Your work will be graded based on:

- Interesting use of lines and shapes found in the crack (it is original and well planned)
- Craftsmanship
- Use of color
